OVERDRAFT CHARGES

Unpaid Item Charge	£25.00
Paid Item Charge	£15.00
Debit Interest on an Unarranged Overdraft	25% EAR** typical (variable)

An unarranged overdraft is created when a deduction or withdrawal from your account can't be met from the balance in your account or within an existing agreed overdraft.

An unpaid item charge is incurred when there are insufficient funds in your account to cover a cheque, direct debit or standing order payment and we have to return this item unpaid.

A paid item charge is incurred when a cheque, standing order or direct debit is deducted from your account and creates an unarranged overdraft.

Debit interest will be calculated daily on your account and applied monthly. Your monthly statement will show how much interest you have paid and when.

THINGS YOU SHOULD CONSIDER

- In order to open and maintain a Metro Bank Business account you need to:
 - (a) be aged 18 or over
 - (b) have a turnover and/or annual balance sheet total that does not exceed £2 million.
- If you are a sole trader/sole signatory you need to reside in the UK to open this account. If there is more than one signatory/Director/beneficial owner associated with the account at least 50% must reside in the UK.
- Our Business Bank Account is a day-to-day current account with the facility to pay bills and make payments (CHAPS, faster payments, international payments, standing orders, direct debits and internal transfers). We are not currently able to set up direct debits which collect payments from others to be credited to your account. We will notify you as soon as we are able to provide this service.
- No credit interest is paid on this account.
- A credit check will be undertaken with a credit reference agency when you apply for a current account and/or overdraft facility and we may seek information about the business entity through a credit reference agency as well.
- Overdrafts are subject to status and repayable on demand, terms and conditions are available on request. Please speak to your Relationship Manager to discuss a specific lending requirement.
- We may change any of the rates (other than a fixed rate of interest) and charges set out in this Important Information Summary, and introduce new charges, under the Terms and Conditions.
- You can withdraw a maximum of £500 per day when using an ATM.

We will give you at least 14 days' notice if we are going to deduct a charge from your account. We will tell you the amount we will deduct and when it will be deducted.

Details of our current interest rates, charges and charging dates are also available on our website metrobankonline.co.uk or you can contact us on **0345 08 08 500**.

**EAR stands for Effective Annual Rate, it illustrates what the interest rate on the overdraft would be if interest was charged and added to the amount owed once each year. It does not take into account fees and charges.
